Dear Families,

Student Learning Packets

Packets for each grade level will be available either in front of the school or the school entryway (depending on weather), from 6:30 a.m.-6:00 p.m. on Monday, November 30th.

***Attendance**

We know this is a very stressful time and want to make things as easy as possible for our families. We encourage families to do each day's assignments as planned by the teachers. However, we understand that family circumstances vary for childcare and work schedules. In order to accommodate those situations where work cannot get done on the scheduled day, all assignments may be submitted by Friday, Dec. 4th, no later than 7:00 p.m. If assignments are accounted for at that time, the student will receive credit for all five days of attendance. If assignments are submitted after 7:00 p.m. on Friday, Dec. 4th, those assignments will count toward the student's grade, but will **not** be credited as attendance for the week of e-learning.

**Please note this is for our e-learning students (students who are normally in-person); nothing has changed for our Virtual Academy students concerning attendance or work completion.*

Nov. 25th-27th Thanksgiving Break

Dec. 5, 4:30-7:30 **Drive-through Santa's Workshop**

As we move into this season of gratitude, we all feel the loss of so much that has not happened this year, or family and friends who are no longer with us. Please know I am truly grateful for each one of you and our precious EPS Ponies. I hope to see all their beautiful faces at our Santa's Workshop!

Wishing our wonderful EPS families a healthy and happy Thanksgiving.
