

Dear RBB Staff,

School will resume on January 4<sup>th</sup> in the Richland-Bean Blossom Community School Corporation.

RBBCSC plans to implement the following schedules when the Third Nine Weeks begins on January 4<sup>th</sup>:

EECC, EPS, and EIS students will return to the 4/1 Schedule.

EJHS and EHS will return to a revised Hybrid Schedule. (See details in the attachment)

We have made important changes to the Hybrid Schedule designed to increase student/teacher face to face time and to enhance the instructional process for Edgewood students.

Our goal is always to safely have students in school as much as possible.

The window for changing from in-school to all-virtual or from all-virtual to in-school is between now and January 8<sup>th</sup>. Please email your student's school to make any changes. We will monitor emails over the Christmas break.

Please be prepared for the possibility that the COVID situation in our community may require RBB to continue with the eLearning schedule. We will confirm our schedules on December 30<sup>th</sup>.

We will continue to monitor the data on the Indiana State Health Department's Dashboard, work with the Monroe County Health Department, communicate with other school corporations, continue deep cleaning, and stay diligent in implementing important safety measures.

Sincerely,

Dr. Sanders
