

PUMPKINFEST

Free Admission!

Contests

We will have many contests for people to participate in. When appropriate, we have separated the contests into different age groups. Entry to contests is free and winners will receive prizes.

Game Zone

We will have a game zone where people can use their skills to win prizes. Tickets to play the games will be available for purchase at the ticket booth. All the money goes to people running the games to raise money for their organization. Tickets cost 50 cents each.

Vendors

We also have many different organizations selling food and drinks you will be able to buy. All the money you spend will go straight back to that organization. This way you can buy good food while also giving money to a good cause.

Extra Details
