

Hello

We are Focus812 and we are excited to be your athlete's photographer this year! All sports will have media day on Thursday, August 15th. Times for each team are listed below. Each athlete will be photographed with up to three poses. We've made it easy by having no order forms or payment due on photo day! Within a couple of weeks after your media day the school will send out a link for you to view and order your prints and products. If you'd like to keep an eye out yourself, you can visit www.focus812.pixieset.com. Please don't hesitate to contact us at focus812photos@gmail.com if you have any questions or concerns. Thank you and we are honored to be a part of your athletes year.
